

August 12, 1938.

Mr. Bill Southern,
Ellinwood, Kansas.

Dear Bill:

Pardon my delay in not answering your good letter of the 20th ultimo sooner. I have been out of the office much of late, and failed to answer it, but no doubt you received my five-page book on basketball. So you are probably just recovering from digesting that lengthy epistle.

I, too, Bill, am sorry that I did not get to say good-bye to you before you left, but we will be saying hello to each other before long, and we will be glad about that.

Engleman and Bob Allen took work in the summer school, and both did very well. I am sure that Engleman didn't get worse than a "B". Bob got a "B" in his chemistry, and he is glad he has that laboratory work out of the way.

All the boys seem to be happy that school is about to start again. Bob and I are leaving tomorrow for Louisville, where Mrs. Allen, Jane and Eleanor are visiting with my oldest daughter and her three children.

Bill, it is a little early to tell you about work, but I assure you we will put your name in the pot and do the best we can for you. I imagine that you are not a poor boy, - at least poor enough to get on CSEP. However, if you are, and if your grades average above a "C", I would suggest that you write to the CSEP Office for an application blank. It seems as if most all the boys got work this summer. I trust that you fared fairly well.

Lots of good luck to you, boy. We will be glad to see you. With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
