Mr. Elmer Schaake,
Bethany College,
Lindsborg, Kansas.

Dear Elmer:

This letter from the Specialists Educational Bureau may be with reference to the high school job in Kansas City. Who knows? But why not write to L. R. Smith, of the Bureau, telling him that I had mentioned such a job might be open with them.

But remember, Dutchman, you will have to pay a commission to any bureau if you sign up with them. I think it is ten per cent of the first year. So you would be better off by dealing directly with the Argentine people.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
