Dear John:

Last week Principal Harmon and John Lonborg, of Argentine High School, were in to see me, seeking some one to be Lonborg's assistant. I wholeheartedly recommended Elmer Schaake.

Saturday I received word from Principal Harmon that they were interested in Schaake, and asked that I get word to him. I am conducting a one-week coaching school here, starting today, and Elmer is enrolled in the school. I have told him of Principal Harmon's interest in him and asked him to get in touch with the Argentine people at once.

In my opinion Schaake has great promise as one of the young coaches of the country. He is clean, capable, sympathetic, has a fine personality, and has a dominant influence with young men. I will recommend him without reservation or evasion.

Anything you can do in behalf of Schaake will be greatly appreciated.

Thanking you, and with best wishes, I am

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
