Professor Guy Smith,  
Department of Mathematics,  
University of Kansas.

Dear Guy:

Sorry I missed you when you called at the office  
Friday. I imagine you had golf on your mind, but also  
back in your mind I'll bet you had a little sparkle of  
happiness in licking old Mizzou!

Am I right or not? But say, how about your golf?

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
