

April 18, 1938.

Mr. Harold Schmidt,  
Basketball Coach,  
Phillips Petroleum Co.,  
Bartlesville, Oklahoma.

Dear Schmitty:

I haven't heard from you, but I did receive a carbon copy of your note to Fred Pralle, and I learn that Fred has already signed the application blank and returned it to you.

It seems that Fred's honors never cease. I just received a letter from Chuck Taylor saying that Fred made his All-American team, and wants to know his size and so forth, so it looks like he is in the money. He is now in New York seeing the sights as "the most fascinating he". My, how popular these boys get to be! But he is a great boy, Schmitty.

Tell Boots Adams we did the best we could to deliver the goods for him.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
