Mr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

I have your letter of May 3 in which you answer my query concerning the use of extension courses and correspondence courses to satisfy residence and credit requirements in your conference. Many thanks for the information.

So far as I personally am concerned, I am opposed to using such credits in order that a student may become eligible because I think that it may entail considerable dynamite unless possibly the amount of credits thus gained is very limited.

Very truly yours,

Handwritten signature of H. C. Severin in cursive script, with "m. s." written in small letters at the bottom right of the signature.
