Mr. J. J. Sullivan, Branch Manager,
Yellow Manufacturing Acceptance Corporation,
2534 McGee Trafficway,
Kansas City, Missouri.

Dear Mr. Sullivan:

I am very glad to recommend Mr. Clifford Clyde Coffman for your very serious consideration. I have known him ever since he came from Ford, Kansas, as a freshman, some eight or nine years ago. He is the son of a physician in Ford, Kansas.

Clyde Coffman is clean, capable and courageous. He is not only a great athlete, but a splendid gentleman. He is extremely courteous, does not use alcoholic beverages or narcotics in any form, and is keenly interested in the better things of life.

Of course you know that he represented the United States in the Olympic Games, participating in the decathlon at Los Angeles in 1932. He was a fine track competitor on the Kansas varsity and also played on the varsity football team. He was one of the most popular young men in the University during his student days.

I will recommend Clyde Coffman without reservation. I think he is an exceptionally reliable and dependable young fellow. He has no bad habits and his leadership is of the best.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
