Dear Mr. Sanders:

If you do have a showing of the basketball film Saturday will you kindly phone me and reverse the call at K. U. 89? Do this Friday if you can, or else drop me a note if the showing is to be next week.

I am very anxious to see the film and listen to the basketball orators of the nation. You will notice I am very modest in covering only a small territory.

With every good wish, I am

Very sincerely yours,
