Mr. Louis Menze
Basketball Coach
Iowa State College
Ames, Iowa

Dear Louis:

I believe in the best interests of our Fifth District that we had better have the meeting in conjunction with the Missouri Valley Conference on December 7 and 8, Saturday and Sunday.

I am sorry that you will not be with us, but since the District requires an open meeting, I believe we had better go ahead with it.

Would you be kind enough to write to the Big-Six coaches and state that it is necessary to have an open meeting for the Fifth District, which we will set for Sunday afternoon? It might be that we of the Big-Six could meet Sunday morning. I would like to have a joint conference of the Big-Six and the Missouri Valley, if possible, as I believe that great benefit is obtained by having these two groups together. I will be glad to have your reaction.

Louis, do you not think that at our meeting we should discuss and set aside a regular time for our coaches to meet? I believe we should meet with the Missouri Valley Conference, and since this date is the first Saturday in December, which is the time for the Big-Six Faculty Representatives to meet, I believe that we as coaches should agree to hold that date open and not schedule any games. I would be glad to have your reaction to this matter.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
