Dear Dr. Allen:

I have written to Mr. Veenker at Ames, Iowa regarding the date of the Big Six basketball meeting in Kansas City. He suggested that I contact you as he did not know the exact date. He thought it was probably going to be Sunday, December 8. I have heard that it is going to be Saturday, December 7.

If you know the date, I would appreciate it very much if you would give me that information. I want to plan to attend the meeting when it is held. Thanks very much.

Sincerely yours,

Darrel Hinkhouse
