Dear Artie:

After many delays we have been able to set our Big Six meeting for Sunday morning, December 8.

Will you please let me know definitely your set up so that our coaches might meet with you boys and have common interpretation? Then I thought we could have our basketball interpretation meeting soon after that.

I will await a reply from you before I make a definite public announcement regarding the open meeting.

Thanking you for an early reply I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
