Mr. Louis Menze  
Basketball Coach  
Iowa State College  
Ames, Iowa

Dear Louie:

Thanks very much for your letter of the four--teenth advising me that the basketball interpretation meeting for the Big Six will be Sunday morning, December 8. I am writing Artie Eilers to this effect and getting his definite dates so that the Big Six and the Missouri Valley coaches can meet without interfering with our Sunday morning meeting, December 8.

Doubtless we will want to meet first and meet with them after we get our own interpretation meeting finished. I trust that you can be there and I believe that Bruce can arrange to do so because we are all in the same boat.

With every good wish I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
