Dr. Forrest C. Allen
Basketball Coach
University of Kansas
Lawrence, Kansas

Dear Doc:

Just received your letter of November 14th, in which you feel it would be unwise to move up our Basketball Interpretation Meeting to December 1st. We will, therefore, go ahead and plan on it for Sunday morning, December 8th.

I will write Bruce Drake to this effect. I'll make every effort to get to the meeting myself, but if I can't make it, I will try to have someone from here represent me. In any event, I'll get the minutes of our last meeting and copies of our officiating schedules to you.

I think you are right that we had better specify that in the future we should not so arrange our schedules that they conflict with this meeting.

With best wishes, I am

Sincerely yours,

Louis Menze
Basketball Coach
