Mr. Curtis Parker,
Athletic Director,
Centenary College of Louisiana,
Shreveport, La.

Dear Curtis:

I guess you didn't notice when you signed your letter that your secretary addressed me as "Mr. Paul Phog, Basketball Coach, University of Kansas". They have even called me silent (P)hog, but this "Paul Phog" is a new one.

I thank you for your good letter of the 17th instant, and I am writing now to see when you will begin your trip up north. I am wondering if we could take you on earlier in December before your school is out for the Christmas holidays. We might swing down by the way of New Orleans and then come back the other way.

I am afraid that we will have to get back before January 2 or 3. However, it might be possible, if you cannot arrange this, for us to plan to take you on the 2 or 3 of January, but we are expected to be home to start our conference season about that time.

Will you kindly let me know what the chances are for meeting you earlier in December?

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
