Dear Parke:

It just occurred to me that in addition to the rules meeting that you plan to have on December 10, why would it not be a good idea to put on a clinic - whether a clinic game or a clinic, I am not sure - but use two teams and call it a basketball clinic. That will add to the attractiveness of your program. What you have in your clinic you could decide according to the needs of the group.

It was good to see you and to have a visit with you.

Assuring you of my desire to most heartily cooperate with you, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
