Mr. Stanley Schwahn,  
Granada Theater,  
Lawrence, Kansas.

Dear Stanley:

I want you to know how very much I personally appreciate your generous attitude in allowing the basketball players to attend your theater during their Christmas vacation period. The boys all expressed their gratitude concerning your generosity, and I want you to know that you have made a very dull and drab practice week a very pleasant experience for them.

While you have no tangible evidence, other than mine, to know of their appreciation, I want to assure you that many times I have heard your name mentioned by them in a very laudatory and complimentary manner. Again I want to thank you on behalf of the Athletic Association, but especially on my own account.

Remember, if at any time you or your staff desire to attend any of the basketball games we would be more than pleased to have you. Say, Stan, why don't you set January 18th aside - that is the date of the Missouri game here, and you and Mrs. Schwahn attend this game. I want you to really see when the crowd gets hot, and we hope our team gets hot against one of our ancient rivals. The members of the State Legislature are going to be here, and since you are an old basketball player we would like for you to see this battle between these two ancient rivals. I know you would get a lot of pleasure out of it.

So just have your secretary give us a ring here at K. U. 83 and we will see that you get some good tickets. It will be a pleasure to have you and yours, as well as your staff in for one of our big battles. Remember, this is a personal invitation extended to you on account of your prowess when you played at dear old Scandia.

With deep appreciation from one promoter to another promoter, I am

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
