

Page 2.

I am sorry that I could not attend the Red Cross meeting Friday evening, as I have agreed to address the War Dads at the Chamber of Commerce on the same day. Rev. Barr's secretary called me a few minutes ago and asked if I could be in attendance. Over a week ago I agreed to speak, and not having the Red Cross meeting definitely in mind, it was crowded out by this other request.

Rotarily yours,

FCA: AH

President.
