Dr. Forrest C. Allen,

Lawrence, Kansas,

Dear Mr. Allen;

Jack came home yesterday afternoon, happy and well satisfied with the treatments you gave him. His mother and I, do greatly appreciate what you have done for him

If you think you should see him again or have any suggestions as to care at home, please advise us. Jack wonders if he will be able to play baseball within the next three or four weeks.

Very truly yours,

*Fred A Baird*
