Mr. W. C. Simons,
Lawrence Daily Journal World,
Lawrence, Kansas.

Dear General:

Thank you so much for your fine report. What we desire is to have you present if you can for a while at the Rotary Assembly. We will announce the time through the bulletin but I believe it will be 11 o'clock in the morning.

It is necessary that when the Governor comes we have our people there to greet him, and even though you have to leave right away we could have your report in duplicate - one copy which becomes our permanent record to file with Karl Klooz, and the other one to be filed with the Governor.

I trust that it will be possible for you to be present and read your report. I think it is a fine one.

Rotarily yours,
