Dr. Forrest C. Allen, President
Rotary Club
Lawrence, Kansas

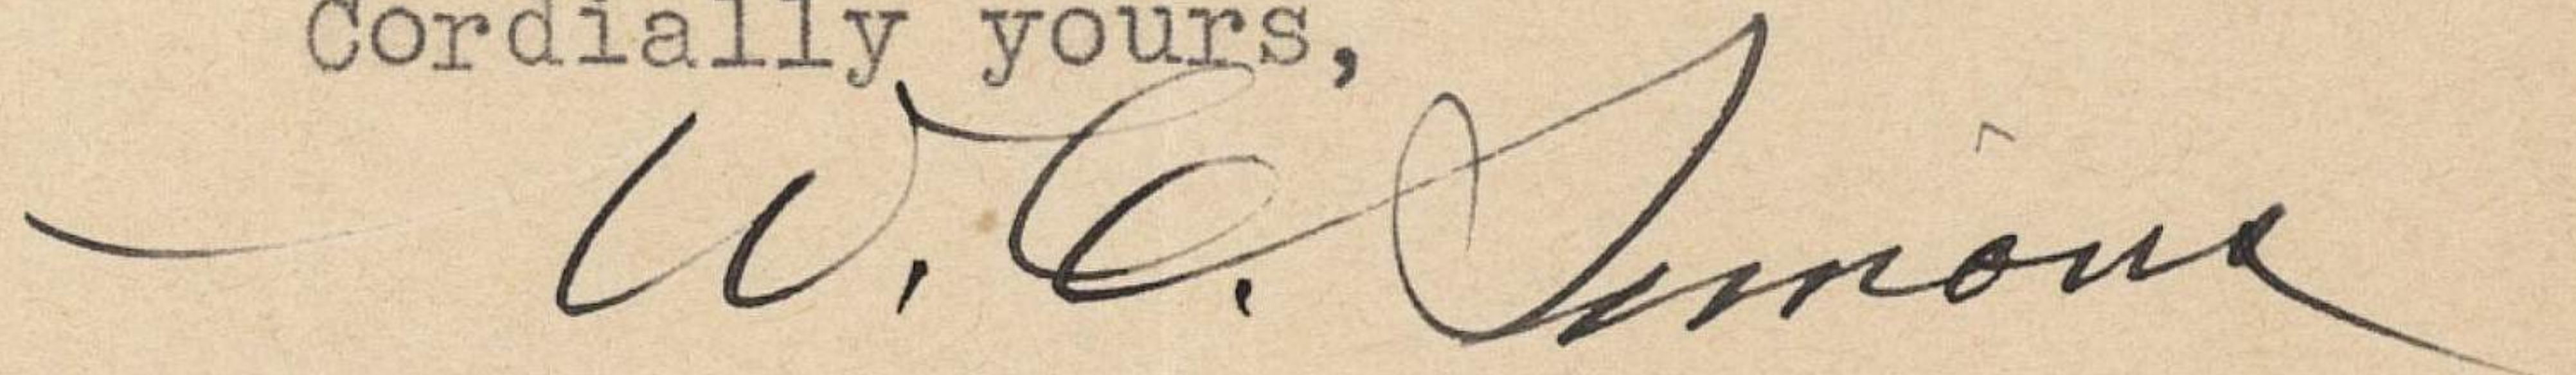

Dear Dr. Allen:

Thruout the years it has been my pleasure to write most of the stories in regard to the activities of Rotary which have appeared in the Journal-World.

If they have properly presented the Club to the public, I am satisfied.

Having been connected with the Lawrence club from its inception, I will say that the town owes much to Rotary, for it first brought to the people of the city the desirability of better and more friendly understanding. The petty hatreds and dislikes among business men have largely disappeared since the advent of Rotary, and I feel that the club has done much toward that desirable end.

Cordially yours,

W. C. Simons
