Dear Rotarian:

I want to thank you for the beautiful plaque received today at Rotary. I shall cherish it very much in coming years. I have a Rotary emblem in my office but it does not have my name on it as does the one you presented. I congratulate you on the fine job you are doing as head of Lawrence Rotary.

We older members of Rotary cannot prevent the eternal snows from falling on our heads, but we can keep the spirit of immortal youth in our hearts, and Rotary is helping to do that very thing.

Sincerely,

W. H. (Bill) Quakenbush
