Mr. Herbert Hoffman,  
Dept. of Buildings & Grounds,  
University of Kansas.

Dear Mr. Hoffman:

I have always noticed a gentle twinkle in your eye. I knew you were thankful for many things, but until I heard your son speak yesterday I did not know how many fine reasons you had for that twinkle. Congratulations on having such a wonderful family!

You have many reasons to be thankful. Life has been good to you and you have been good to people. It was a great pleasure to have you with us at Rotary, and so thoughtful of Professor Herbert Hungerford in asking you.

You have made us very happy with your thoughtfulness in bringing flowers to our office. There is nothing better than flowers to express tenderest and sincerest wishes and thoughtfulness.

Very sincerely yours,

FCA:AH

President.
