

LAWRENCE ROTARY CLUB BULLETIN

LAWRENCE, KANSAS

DECEMBER 24, 1943

* * * * *

ONE OF THE FINEST Christmas parties in the history of the Club was the verdict of many a Rotarian after last week's meeting. And the youngsters went for everything in a big way. Chairman Ralph Graber did a bang-up of planning and arranging. Thanks to everyone for their help. And especially to President "Phog" for the beautiful membership plaques! Also from the youngsters, many many thanks to "Santa Claus" Schwan for the theatre tickets!

AN INTERNATIONAL PRESENTATION

Monday, for Club Members, in the person of W. E. Hoffman, an old Lawrence boy, now Professor of Entomology at Lingnan University, Canton, China. Officially interned by the Japanese Government since Feb. 1, 1943, Prof. Hoffman was released and returned recently to this country on the last trip of the Gripsholm. A graduate of K.U. in 1918 and a member of the staff for three years thereafter, Mr. Hoffman has been at Lingnan University since 1924. In addition to being professor of entomology, he is also director of the museum of natural history. He will bring a ringside report of what is going on in the Orient since Japanese occupation.
