Dear Dns

I hear all sorts of reports on your basketball schedule but I thought I better write you to be sure.

We of course would like to have that great team of yours down here Boys like Englemann, Miller etc. who have played

here would certainly pack the crowd in. Financially I believe we would both profit.

But if you can't see your way to playing down here perhaps you could schedule at home — crowds us in your

You don't realize how much it means to these kids to play against a university team — They are really a good ball club and they want to play the better teams.

Very truly yours

John Cooper
