

MRS. HERBERT BARKER HUNGERFORD

1503 CRESCENT ROAD, LAWRENCE, KANSAS

June, 6, '44,

My dear St. Allen, —

It was a real surprise to receive the lovely message on June third, my birthday! It was just the prettiest one could have been, worn on a white dress on Sunday.

Herbert has been telling me all year how many extra nice things Rotary has had because of you, the best President!

With kinship to you and with best wishes to you and Mrs. Allen

I am, Rotary-annily yours,  
Frances Hungerford.
