

many nice things to make people happy.  
It is really a wonderful thing in these  
days when we are all so upset & disturbed by  
the unrest in the world.

You know that I can never forget or  
repay the many kindnesses you have  
shown me & you will be glad to know  
that I have had no trouble with my book  
for 6 months. Thanks so much for the  
beautiful corsage & the thoughtfulness  
that prompted the sending.  
Sincerely  
Gertrude R. Simons.
