Dear President "Phog",

Now that the Assembly is over I feel that we owe so much of its success to you and I want to thank you for arranging such a fine place for our meeting and seeing that everything was planned so well.

Will you please express to the club my appreciation of the fact that so many of them were early to welcome all visitors and that a number stayed through the day, and that the luncheon was one of the finest that I have attended for a long time. Gene Conklin presented his "White Plumes" in knightly fashion and I appreciated the fine work that Corlett and Cecil did in leading the music. I am writing to Karl also, the Dean of secretaries in the District. Will you convey to Mike Getto our compliments for the fine way the Eldridge handled the assembly.

Sincerely,

Homer K. Ebright
