

July 2, 1943.

Governor Homer K. Ebright,  
Baldwin, Kansas.

Dear Governor Homer:

Thank you for your two letters as of July 1. I will plan to have some of the Rotarians take care of the fellowship and the recognition labels. I will also have someone, perhaps Karl Klooz, in charge of registration.

Don't you think it would be a good thing to have a couple of rousing Rotary songs when we assemble, just before you take over? I believe they will want to visit during the time from 9 to 10 o'clock, and won't want to sing. What do you think? My actions are subject to your wishes.

I will check with Mike Getto and ask him what he wants as to a guarantee for numbers. We have 60 in our club here at Lawrence and we guarantee Mike 50 luncheons. Don't you think that you had better make a final recount and if you think you will have 80 then we would have to guarantee Mike 70. If you think you would have but 70, let's guarantee him 60, and he can gamble on the other ten. If we have more then I am sure Mike can scrape up something for us, but we should be as nearly accurate as possible.

We are having no Rotary meeting Monday, so if you will write me regarding your reaction on this and give me authority to deal with Mike I will guarantee him the number that you desire. Of course for our 60 members we guarantee him 50, so it will only be for the visitors that we will guarantee a number.

I received the mimeographed announcement and I think you have a swell set-up. It will be a pleasure for me to cooperate with you to the fullest.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
