

June 29, 1943.

Governor Homer K. Ebright,
Baldwin, Kansas.

Dear Governor Homer:

I don't want to rush you and I know that you do not know as yet how many will attend the Rotary Officers Assembly, but I promised Rotarian Mike Getto that I would let him know about how many visitors would attend. He has to prepare the food.

As soon as you have any definite information won't you either write or phone me so that I can relay this information to our genial host.

We are looking forward with great pleasure to our meeting on the 12th. Yesterday I asked the Rotarians - all of them - to be present if possible at the 9 o'clock meeting for the Fellowship and Registration hour. They have been asked to wear their badges so they will be more easily identified. We will have some goos singing under the direction of Rotarian Corlett Cotton, and Cecil Hough will play the piano.

If there is anything else that I should do that you can think of, please command me. It will be a pleasure, I assure you.

Rotarily yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
