Mr. Fred Ellsworth,
University of Kansas.

Dear Fred:

I am sending you informative excerpts from District Governor Homer Ebright's letters, to be used in your bulletin as you see fit. I would be happy if in your bulletin you could mention the personalities that are to be here, such as ex-Governor Scotty and the rest of the luminaries.

Then for next Saturday's bulletin be sure to emphasize the necessity for all Rotarians being present at the hotel at 9 o'clock on Monday morning for the Fellowship and Registration hour - from 9 until 10 o'clock. And you remember it was suggested that all Rotarians wear their buttons so that they could easily identify the visitors.

The fact that Governor Homer Ebright expects 80 from out of town should be a definite stimulus and responsibility to Lawrence Rotarians to be present and greet the visitors. Some of the people can come only for the greeting and then return to their business until the luncheon, but I think it would be a very constructive and helpful thing for those Rotarians to do this. Any way that you can impress upon the members this part for each individual member to play will be appreciated.

You told me to call you Thursday, but I thought by writing this letter and having you pick out the most important points to stress would be more satisfactory.

Rotarily yours,
