Professor H. B. Hungerford,  
Department of Entomology,  
University of Kansas.

Dear Herb:

At a meeting Monday night of the Board of Directors of Rotary, held at the home of Solon G. Ayers, U. Floyd Rible and Rob Rankin were added to your committee.

As club historian we are asking that you confer with Karl Klooz who has a club history prepared by J. Frank Jones. It is a rather voluminous thing, but since Frank's illness he was not able to keep it up to the present. I sincerely trust you will be able to get your committee on this very valuable piece of work.

With all good wishes, I am

Rotarily yours,

FCA:H

President.

Dr. Forrest C. Allen, President  
Lawrence Rotary Club  
Lawrence, Kansas

Dear President Phog:

You will find submitted herewith a proposed budget for the Lawrence Rotary Club for the coming fiscal year. Most of the credit in the present preparation in this budget is due to the valued suggestions of Treasurer Clif Calvin. At best, like all budgets, it can be used only as a guide in club expenditures. Your committee, however, feels that if it is used in this regard it will be of considerable help in keeping the Lawrence club on a sound fiscal basis.

You will note that the budget is based on a membership of 55 members. Present indications are that the membership will exceed this number which should give some measure of leeway in the budget. You will note that \$100.00 was budgeted in the Milk Fund. Nothing was spent from this fund last year because no money was requested from the city schools. But \$100.00 was donated from the fund to the Douglas County chapter of the American Red Cross. Your committee felt it wise to retain a semblance of this fund until otherwise directed by the board.

Respectfully submitted,

I. J. Meade, Chairman

Mr. Clif Calvin,  
1504 Creseent Road,  
Lawrence, Kansas.

Dear Clif:

Your letter addressed to Lawrence Rotary Club announcing your resignation from Rotary was received and acted upon. I want you to know how much we regret your leaving the club, but under the conditions we understand that you felt it was necessary.

You have made a real contribution to Rotary, Clif, and we want you to know that every Rotarian feels the loss by your leaving. Of course we are hoping that you will come back soon, but whether you do or not, you will always be a Rotarian at heart and will be one of us even though you cannot go through the formalities.

I am asking that you let me know at the earliest possible date when you can get away for noon luncheon at Rotary. I would like to have you as my guest. So be sure to let me have an early acceptance. All the gang will be delighted to welcome you at an early chat. The loss of so loyal and efficient a member, I assure you, is keenly felt by all of us.

Rotarily yours,

FCA:AH

September 6, 1943.

Mr. Fred Ellsworth,  
University of Kansas.

Dear Fred:

I want to take this time to personally thank you for your splendid contribution to our Lawrence Rotary Club on your editing of the bulletin.

You not only got out a wonderful sheet, but you drew many compliments from many Rotarians who thought that your clever sheet was one of the high spots on a rather dull Monday morning. A number of chaps told me that they looked forward to that bulletin with much relish, and many of them took them home to read to their wives.

You did a swell job, and I thank you for it.

Rotarily yours,

FCA:AH

President.

August 31, 1943.

Mr. Glen Charlton,

Mr. T. D. Funk,  
Lawrence, Kansas.

Dear Tildie:

Gerald Hesse mentioned your impediment last week at Rotary and I called attention of the Rotary members to the same. I am writing to tell you that I was sorry I did not know that you had this ailment. I am sincerely trusting that you will not be incapacitated for long, and that you can soon get out for Rotary meetings.

By the way, Tildie, we haven't served you a veal bird for a long time. Or can you eat meat with this pedal ailment?

I will endeavor to stop by and see you at the earliest possible time.

With all good wishes, I am

Rotarily yours,

Father Cowell O'Neil,  
1229 Vermont Street,  
Lawrence, Kansas.

Dear Father O'Neil:

I am sending you the football schedule that I promised you at Rotary meeting a week ago. Just yesterday they announced the games with Central Missouri Teachers College of Warrensburg and the Fort Riley Centaurs. This makes it complete.

Rotarily yours,

FCA:AH  
Enc.

President.

August 24, 1943.

Mr. Solon Ayers, Supt.,  
Haskell Institute,  
Lawrence, Kansas.

Dear Solon:

Father O'Neil did a swell job considering the fact that he knew very few of the Rotarians by name. I sat next to him and helped him as far as possible.

Robert McNair Davis introduced W. W. Davis, and W. W. introduced Hovey Hanna; Hovey Hanna introduced Walt Varnum, and they ran Elmer Ousdahl in on Hovey. Then Ousdahl introduced Caryl Dodds, and Dodds - Ralph Ward; Ralph Ward - Frank Banks, and Frank Banks - George B. Smith. Capt. Smith - K. W. Davidson, and K. W. introduced Ted Aszman. Yes, and by the way, Walt Varnum introduced Dave Horkmans.

Father O'Neil was not altogether familiar with the other names and the group was so mixed up that I thought we better call it off at 1:30 instead of running to 1:45. There are still fellows who want to go through with their introductions so if at all possible I think we had better close it up this next week if we can. If you have a program already arranged maybe we could do it between courses. Of course, the courses are rather scanty, but it could be arranged.

It really is a good thing and I think Father O'Neil did a swell job, but frankly he knows very few of the men to call them by name and it dragged a little, so we called it off with his cooperation. We had a fine meeting and I am sorry that you could not be with us.

Rotarily yours,

FCA:AH

President.

Governor Homer K. Ebright,  
Baldwin, Kansas.

Dear Governor Homer:

Thank you for your monthly report. I called attention to the first three placers for attendance record. Then I read Kansas City, Kansas, Lawrence and Topeka so the boys could get the idea that we were not at the bottom, but at the same time we could improve.

We will put your letters before the membership each month.

Wishing you the best of success, I am

Rotarily yours,

We congratulate these men and wish them satisfaction and success in their Rotary work this year.

#### 4. Homer's Odyssey

The governor is saving gas by spending a day in each town and not driving back to Baldwin each night. He is trying to get acquainted with Kansas and has enjoyed the time which courteous Rotarians have given to him as they showed the points of interest in their city.

He has enjoyed every Rotary meeting in this "Homer's Odyssey". Every club has something of special interest in their activities to praise.

Marysville, Blue Rapids, Frankfort, Seneca, Holton, Leavenworth, Atchison, Valley Falls, Howard, Burlington, Lyndon -- these clubs have been visited in tours which aimed to go to the farthest parts of the district first.

We plan to visit next these clubs on their regular meetings days --  
Tuesday August 17, Junction City  
Wednesday August 18, Council Grove  
Thursday August 19, Alma  
Monday August 23, Overbrook  
Tuesday August 24, Burlingame  
Thursday August 26, Topeka  
Monday August 30, Cottonwood Falls  
Tuesday August 31, Emporia

#### 5. Five Questions

1. Have you sent in your Semi-Annual Report to the Secretariat at Chicago, due July 1?
2. Has your club filed the information return on Form 990 with the Collector of Internal Revenue?
3. Has the president given to all the chairmen the printed directions which were mailed from the Secretariat?
4. Has the President called the Aims and Objects committee together, and does this committee help the Program Committee, and thus insure a balanced menu for the year?
5. Has the President presented to the Directors the question of the Rotary Foundation, and suggested that the Club take out a war bond for this endowment fund?

#### 6. Rotarian Contest for September.

Every Rotarian reads the ROTARIAN. Every Rotary Club has a program once in a while based on this splendid magazine. Many clubs take five minutes once a month to listen to a member speak of the best articles in the latest number of the Rotarian.

We urge your participation in this contest for September. Will the president appoint a chairman to take charge of pushing the reading of the Rotarian magazine for September.

Let that chairman announce the first meeting in September that everyone make special effort to read at least three of the best articles in the September issue, and then at the end of the month, let that chairman quietly get a list of the members who have read three articles. That need take no time from the program period. A paper passed around during the luncheon can get the names of those who have read three articles. Will that chairman then drop the district governor a post card indicating what percentage of the club have thus read the magazine.

We are sure that all the clubs can report 100%. But we wish to KNOW that this is the case.

#### 7. High School Essay Contest for October.

Every Rotarian believes in the second object of Rotary. This ideal of higher ethics in business and professional life should be stressed in America. What can a Rotary Club do more than just talk about it?

We believe that the time to do something about higher ethical standards in business life is while young people are in high school.

Will your committee on Vocational Service consider whether the club should confer with the High School principal and offer a good prize for the best essay on Business and Professional Ethics. That will stir up interest in the community.

Laurence Memorial Hospital

Dear Dr. and Mrs. Allen,

Being a Rotarianne has  
given me many happy occasions,  
the various dinners, dances, etc.,  
However, the lovely gardenia  
and rosebud corsage which  
came to me this week at  
the hospital has been the  
very nicest of all. It was  
so good of you to remember me.

Malcolm and I are looking  
forward to going home on  
Monday. George will be happy  
to have us there too.

We are very proud of this  
latest son of a Rotarian.

I do appreciate your kindness.

AUDIT REPORT  
THE LAWRENCE ROTARY CLUB

Lawrence, Kansas  
July 20, 1943

To the Board of Directors  
The Lawrence Rotary Club  
Lawrence, Kansas

Gentlemen:

In accordance with instructions from John W. Brand, Retiring President of the Lawrence Rotary Club, your auditing committee has completed an audit of the financial records of the Treasurer of the Lawrence Rotary Club for the period July 1, 1942, to June 30, 1943, inclusive and submits the following report:

Receipts, disbursements and bank balance have been verified and found in order as per the attached statement.

The following checks written prior to July 1, 1943, are still outstanding:

#1018 University of Kansas Press	\$ 11.20
#1019 Clifford Dean, President Recreation Council	15.00
#1020 To Cash - tip for waitresses	<u>9.00</u>
Total	\$ 35.20

The committee, accompanied by the Treasurer, viewed the securities in the safety deposit box at the Lawrence National Bank and verified the presence of the following securities which were listed in the last audit report:

\$1,000 Republic of Chile, 6% Bond N37749 (4-1-60)  
Coupon #26 and all succeeding coupons are attached  
\$500 Series F No. D132107F (5-1-54)  
\$100 Series F No. C193861F (5-1-54)  
\$100 Series F No. C193862F (5-1-54)

With reference to the attached balance sheet, we wish to call your attention to the following items:

Accounts Payable	
Dr. F. C. Allen, expenses to International Convention	\$ 108.52
Hotel Eldridge, June meals	<u>141.98</u>
Total	\$ 250.50

Accounts Receivable \$ 175.50  
This consists largely of meals and Ann Party for which members were not billed until July 1st.

A review of individual members accounts show them as a whole in good order. Should the Board so desire, they may review these accounts with the Treasurer at a regular board meeting.

In comparison with the previous year, the net worth has increased \$268.00 of which \$56.25 is appreciation in the value of the \$1,000 Republic of Chile bond.

Budget: The experience gained this past year should be helpful to the Budget Committee in planning the budget for the new fiscal year. The two "Accounts Payable" items, listed above, should be taken into consideration in reviewing this past year's expenditures in comparison with the budget and in the preparation of the budget for the ensuing year.

We wish to commend Clifton C. Calvin, Treasurer, for the neat and concise manner in which the records are kept.

Respectfully submitted,

J. S. Simon

Mr. Simon Hurwitz,  
Lawrence Sanitary Milk and Ice Cream Co.,  
Lawrence, Kansas.

Dear Simon:

You are a peach! If I had as many good Rotarian friends as you I could entertain very inexpensively. I announced to the Rotary directors that you were the man of plenty when you fed them your choicest ice cream.

I made ginger ale ice cream sodas out of your wonderful contribution and on the hot night of August 2nd it certainly hit the spot. Gee, Simon, you were swell!

Mrs. Allen and Eleanor and all the Rotarians appreciated your thoughtful generosity. This is another indication that you are a real Rotarian. Thanks a million.

Rotarily yours,

FCA:AH

President.
