

August 4, 1943

Mr. Simon Hurwitz,  
Lawrence Sanitary Milk and Ice Cream Co.,  
Lawrence, Kansas.

Dear Simon:

You are a peach! If I had as many good Rotarian friends as you I could entertain very inexpensively. I announced to the Rotary directors that you were the man of plenty when you fed them your choicest ice cream.

I made ginger ale ice cream sodas out of your wonderful contribution and on the hot night of August 2nd it certainly hit the spot. Gee, Simon, you were swell!

Mrs. Allen and Eleanor and all the Rotarians appreciated your thoughtful generosity. This is another indication that you are a real Rotarian. Thanks a million.

Rotarily yours,

FCA:AH

President.
