

October 8, 1943.

Governor Homer K. Ebright,
Baldwin, Kansas.

Dear Governor Homer:

I was happy indeed to hear from you. On Monday, November 1, the Rotaryans are going to have a dinner in the evening, so if you could make it November 8th this would be fine and dandy.

I will endeavor to write you more at length, but I am rushing this off so that you can make your plans, if agreeable.

I wrote Lis expressing the sympathies of the Lawrence club. We certainly would be happy to see him if it is possible for him to get up here, but I am rather doubtful. A broken tibia at that point is a pretty serious thing, and I will be surprised if he makes it. However, we would be glad to have him.

Your football competitive contest looks interesting. How are the points scored?

Rotarily yours,

FCA:AH

President.

OFFICE OF THE GOVERNOR

Dr. Forrest C. Allen
President, Rotary Club
Lawrence, Kansas

Dear President Phog,

I was glad to hear from you and to know that I shall be welcome in Lawrence. How would Monday, November 1, suit you? Or would you prefer the eighth?

I tried to make all of the clubs that were any distance from Baldwin during the summer. I had a great time and enjoyed very much the fellowship with the various clubs. I thought I ought to learn something before I appeared before the clubs at Lawrence and Ottawa and Baldwin, so I am leaving them to the last. I know I shall have a fine time when I meet with you, both at your assembly of officers and chairmen and before the entire club at the luncheon hour. I know that you are having a fine year. After I hear from you about the date I shall send you some papers to fill out in the nature of an annual review of the club.

You would be interested in the present campaign for attendance at Baldwin. It is in the form of a football game between two teams, eighteen on each side. They are going to try to make a number of 100 percent meetings. Perhaps next week Coach Liston will not be able to make up his attendance. I do not know how long he will be in the hospital with a broken leg. He has a twelve year perfect attendance record. He was thinking he might make Lawrence next Monday and make up for this week's absence here.

I shall be interested in hearing some more accounts of your good work at Lawrence.

Sincerely,

Homer K. Ebright

Dear Mr. Pidgeon:

You state that you have not yet completed the work of designing the 1944 calendar. Will they be any different from the 1943 calendar? I remember the 1942 calendar, and as I recall, it was exactly the same as this one.

I would like to get my order placed for the 1944 calendar as soon as possible.

Very sincerely yours,

As you will notice, the calendar pad stitched to the sample attached
is dated for the year beginning in July and you will no doubt wish
the calendars furnished with pads dated from January 1944. We have
not yet completed the work of designing the 1944 calendar, but samples
will be mailed to you just as soon as they are ready.

In your good letter I believe you asked for us to suggest a favorable date when you should come to us. I am sure that you will recall my conversation with you when I stated that since we are so close I would prefer that you set the date.

Perhaps a date that I would suggest would not be as favorable as one you might select. Won't you please name it at least three weeks in advance?

The telephonic vote this date was unanimous.

Dear Sirs:

Will you kindly quote me your price on Rotary Club calendars, for a maximum order of seventy? I refer to a small paper desk calendar, similar to the one you printed last year for Mr. John W. Brand who was then president of our club.

I will appreciate your early reply.

Sincerely yours,

Dear Stevie:

You are doing a swell job as chairman of the Rotary birthday committee. But, Stevie, you are appointing these lieutenants of yours and the chairman is not doing his stuff. Comparatively speaking, the general can do a job much superior to any of his lieutenants.

So on some of these birthdays why don't the old man take over and present them with the present and attendant courtesies?

You add a lot to the zest and good fellowship of the club and we want you on your feet doing your stuff.

Thanking you for your splendid work as chairman of the birthday committee, I am

LAWRENCE ROTARY CLUB
BULLETIN

September 3, 1943

: :

NEXT MONDAY - there will be no meeting on account of LABOR DAY. So save yourself a trip to Mike's caravansary by remembering that there will be NO meeting on Monday.

BUT! - - by a fine showing of hands our club members pledged themselves to attend the luncheon at the Community Building on Thursday at 12:15 o'clock (price 50¢). This will be the kick-off meeting for the Third War Loan Drive for Douglas County. \$2,070,000 is our quota. It was only \$788,000 for the last drive. A comparison of these figures indicates the big effort needed. So if you love your country, really want to help win the war, and are a good Rote, you'll be there Thursday.

A LITTLE HORSE PLAY, now and then, is relished by the best of men. Bob and Steve's persiflage last Monday was a good antidote for the tired-business-man feeling. Of course we can count on these perfect gentlemen to keep the quips on a high plane of culture-- or can we?

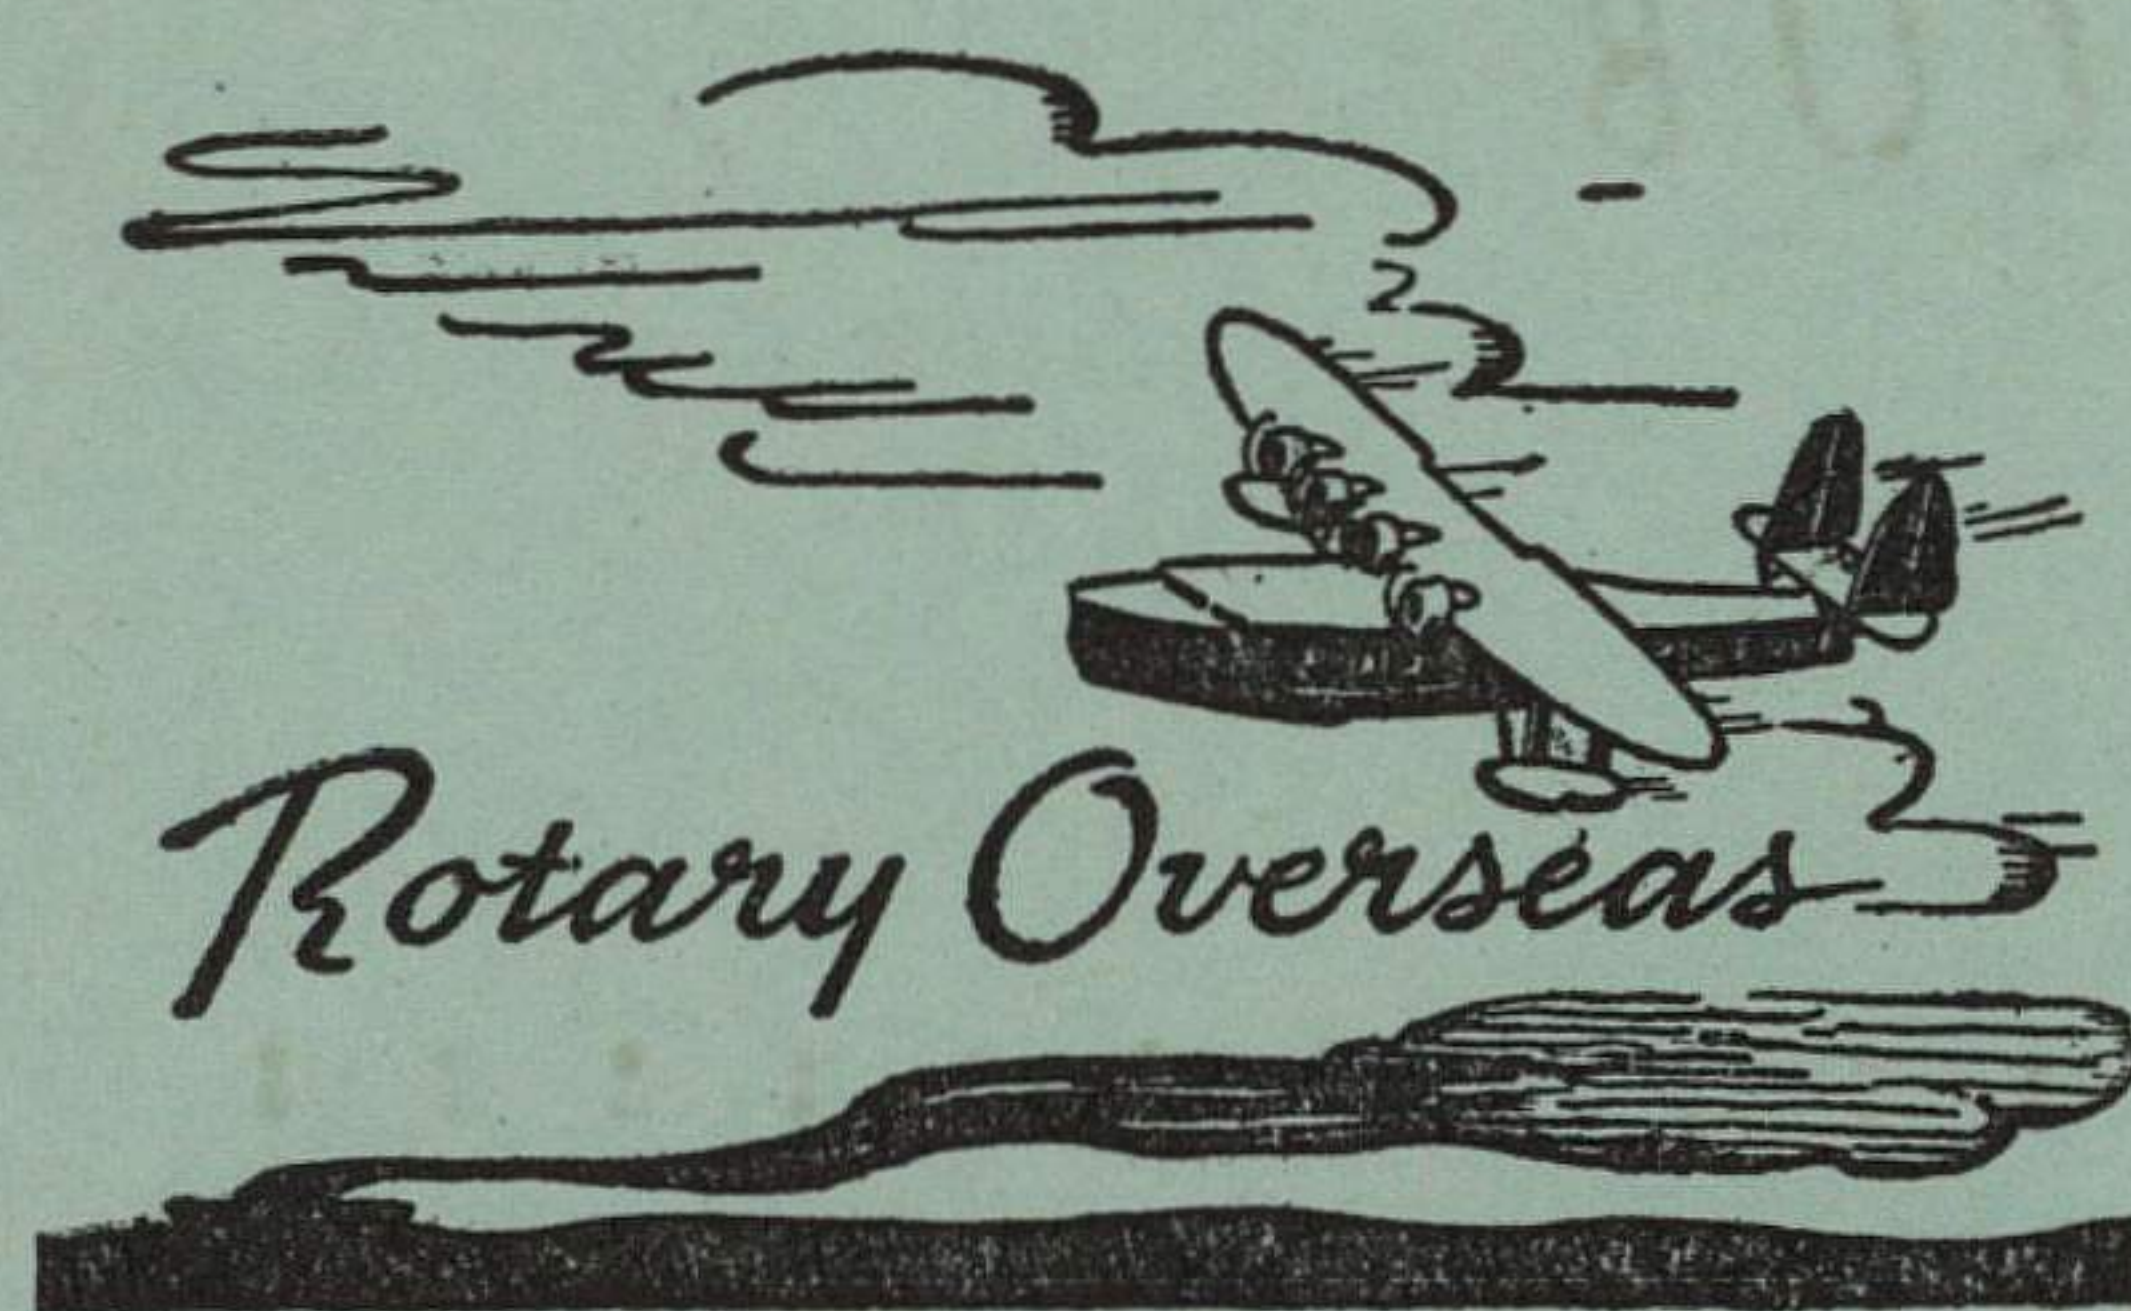

PERSONALIA - We get glimpses now and then of Glenn Charlton gingerly moving about here and there. Good going, Glenn. Hope you'll be back with us soon. . . If Ralph Ward is as good as he looks, he surely has bounced back in fine shape from his hospital siege. . . It was a pleasure to meet Col. McMorris last Monday. He is the new acting commandant at K. U. He looks like every inch a soldier and a man. . . Sorry to see Capt. George Smith leave. Our best wishes go with him to his new station in California. Fine he could remain long enough to see the new Smith arrive at his place. . . It is now Major Neal M. Wherry at Washington, D. C. Hearty congrats on the majority, Neal. It has our hearty O. K.

NOW THAT that stumble-bum Mussolini is put away, let's concentrate on the crazy Shickelgruber, and that sneak-puncher Togo. Attending the Thursday noon luncheon will help a lot towards that end. Don't forget it.

Yours in the bonds of Rotary

Ye-Ed-Ted

P. S. - - Wasn't that talk by Navy man Ronald Hecht a dandy last Monday! He seemed to represent American man power at its best. That boy has been places and done things. Thanks to Lt. Randolph Neil for bringing the speaker down.

Community Service in Egypt

The Rotary Club of Mansourah, Egypt, decided it must be something more than merely a luncheon club, and concentrated on the following community work:

a) Friday breakfast and a substantial luncheon are given each week to poor children. Two members of the club and their wives are responsible each week for this work. Other members frequently assist.

b) The club has provided a nearby R.A.F. camp with games such as ping pong, chess, volleyball and playing cards. Also they invite the men into their homes.

c) On the occasion of a visit from the Mudir the club requested permission to examine the Mudir's project for the welfare of the poor. This matter is now under investigation with a view to club action.

We Must Win

We must win this war. We must win it as Rotarians because this is a war of decency against everything detestable and repulsive in the human heart. To win this war, we must win the peace. That peace can only be won if Rotarians all over the world will help assert the creed "Service Above Self." If that creed is the ruling thought when the peace treaty is signed there will be no more wars because then, aggression, selfishness, arrogance and greed would have been banished, if "Service Above Self" guides the hands that sign the peace treaty.

Worth Remembering

One day a rich but miserly man came to his Pastor. The Pastor led him to a window.

"Look out there," he said, "and tell me what you see."

"People," answered the rich man.

Then the Pastor led him to a mirror.

"What do you see now?" he asked.

"I see myself," answered the man.

Then the Pastor said, "There is glass in the window and there is glass in the mirror. But the glass in the mirror is covered with a little silver, and no sooner is a little silver added than you cease to see others and see only yourself."

Dear Glenn:

We are missing you at Rotary and we are hoping that you can come back Monday.

Tildie Funk put in his first appearance after quite a tussle with sciatica and some toe trouble that confidentially he might describe as gout, but I won't say that. We asked Tildie to get on his feet and to describe to us the cause of his marvelous recovery. He told Rotary that being a member of the "purity league" and following its constitution and by-laws to the letter caused him to recuperate much more rapidly than if he had not been such a steadfast member of this organization.

Hope you can join us soon.

Lawrence, Kansas.

Dear Karl:

This morning I was in Captain Buhl's office and he apologized again for not attending Rotary. I believe he is still under the impression that he is a member, even though he has missed more than enough weeks to declare his membership null and void.

I did not give him this information, but offered this suggestion: "Why don't you write Karl Klooz and tell him that while you desire to be a member of Rotary, your pressure of work is so severe that you feel you must withdraw."

Lieut. Buhl feels very keenly that he is holding some other service man out of the classification and feels he would be better out. I told him that I knew how he felt and if I were he and felt that way I believe I would write a letter of resignation to Secretary Klooz. It would be handled in the proper fashion by doing this.

I have invited him down as my guest and he tells me that he will come at the first opportunity.

Rotarily yours,

FCA:AH

President.

Mr. Riley Burcham,
Lawrence National Bank,
Lawrence, Kansas.

Dear Riley:

Permit me to congratulate you upon your election to Rotary. I am very sure that you will enjoy Rotary, and I know that the Rotarians will enjoy your presence with us.

The thing that keeps Rotary alive is the activity of its members. We have placed you on the Boys Work and Youth Activity Committee with Ralph Graber, principal of the high school, as chairman. The members on that committee, in addition to Ralph Graber, are: Solon G. Ayers, Fred Ellsworth, Father Cowell O'Neil, T. H. Assman, Wm. H. Quakenbush.

At a meeting of the Board of Directors at the home of Solon Ayers last Monday night, Ralph Graber and the directors discussed a more active work for this committee. You doubtless will hear from Ralph soon.

With all good wishes, I am

Rotarily yours,

Dear Floyd:

Congratulations, Floyd, on your election to membership in Rotary. I assure you of a most hearty welcome, and I know that Jay Jakosky will be most happy to know that you are one of the Rotes. I am writing him today, telling him that you have been added to Dr. Herb Hungerford's committee as club historian.

You, Herb, and Rob Rankin, I am sure, will do a very good job on a very wonderful bit of work. Karl Klooz has the large book of Rotary history prepared most wonderfully by J. Frank Jones before he passed on. Some of it is in arrears and we are asking that Dr. Hungerford, you, and Rob Rankin bring it up to date.

With every good wish, I am

Rotarily yours,

President.
