President, Rotary Club
Lawrence, Kansas

Dear President Phog,

I was glad to hear from you and to know that I shall be welcome in Lawrence. How would Monday, November 1, suit you? Or would you prefer the eighth?

I tried to make all of the clubs that were any distance from Baldwin during the summer. I had a great time and enjoyed very much the fellowship with the various clubs. I thought I ought to learn something before I appeared before the clubs at Lawrence and Ottawa and Baldwin, so I am leaving them to the last. I know I shall have a fine time when I meet with you, both at your assembly of officers and chairmen and before the entire club at the luncheon hour. I know that you are having a fine year. After I hear from you about the date I shall send you some papers to fill out in the nature of an annual review of the club.

You would be interested in the present campaign for attendance at Baldwin. It is in the form of a football game between two teams, eighteen on each side. They are going to try to make a number of 100 percent meetings. Perhaps next week Coach Liston will not be able to make up his attendance. I do not know how long he will be in the hospital with a broken leg. He has a twelve year perfect attendance record. He was thinking he might make Lawrence next Monday and make up for this week's absence here.

I shall be interested in hearing some more accounts of your good work at Lawrence.

Sincerely,

Homer K. Ebright
