Mr. J. A. Pidgeon,
The Budget Press,
Salem, Ohio.

Dear Mr. Pidgeon:

You state that you have not yet completed the work of designing the 1944 calendar. Will they be any different from the 1943 calendar? I remember the 1942 calendar, and as I recall, it was exactly the same as this one.

I would like to get my order placed for the 1944 calendar as soon as possible.

Very sincerely yours,

FCA:AH

President.
