Mrs. Mary Amidon,
1120 Mississippi St.,
Lawrence, Kansas.

Dear Mrs. Amidon:

I made the announcement at Rotary regarding the blood bank for October 7 and 8. I told them that registration started Monday, September 20, and to phone 640 for appointment.

I further told them that you had asked me to make this announcement before Rotary each Monday until October 7 and 8. I thought this might impress the members more than if I made the announcement each Monday, which I will do, of course.

With all good wishes, I am

Rotarily yours,

FCA:AH

President.
