Mr. Hovey Hanna,
800 Louisiana St.,
Lawrence, Kansas.

Dear Hovey:

I want you to know how disappointed I was that you were ill and unable to induct Col. McMorris for Rotary. Fred read your very clever lines but he did not do the soap box stunt that you and I rehearsed. Nobody could do that but Hovey Hanna.

We hope that your temperature is down and that you are feeling much better this morning. I would give you a phone call which takes less time, but I wanted you to know how much all of us missed you yesterday at Rotary, and we missed your fine contribution.

With all good wishes for your rapid recovery, I am

Rotarily yours,

FCA:AH

President.
