Mr. Norman Edmonds,
1903 Mass. St.,
Lawrence, Kansas.

Dear Norman:

As announced from the speaker's table yesterday at Rotary, you were appointed chairman of a committee to greet the members as they come. Of course you can use Tom Parker, Elmer GUSDahl, and the good Father O'Neil and his assistant, Father McGinnis, Lt. Randolph Neil, Mike Getto, and Ralph Graber any time you see fit.

But your special function is to get every one of these Rotarians who are late and have them contribute either ten cents or a dollar to the milk fund. They will generally give a dime but don't let any of them away, and when they come in late just point to the milk bottle.

I am sure that Father Cowell O'Neil will organize the greeting group out of this large membership that he has so that the burden of greeting will fall on the other members, but the getting of the money will be an Edmonds responsibility. Thank you, Norm, for your fine Rotary cooperation.

Rotarily yours,

FCA:AH

President.
