

900 Communists in the Public Employment
of this Country - Being hampered by them -
Congress has abandoned its function
Supreme Court has become subservient to the Pres.
The Present Adm. has spent more money

than all other Administrations.

Laziness taught instead of industry.

Teaching servants instead of masters -

Teaching to spend instead of to save.

It's a terrible curse coming upon us.

It's worse than Hitlerism.

Rotary Club Service to teach
that the people should support
the Govt. rather than the reverse.

The task for a Rotarian is the
belief in the industry, thrift that
the individual should be self sufficient
