Dear Mr. Konomis,

Permit me to thank you individually and on behalf of our Rotary Club and our visiting guests for your marvelous address Monday evening.

I have heard many sincere expressions of appreciation. We thoroughly enjoyed it, and in addition to the enjoyment we were stimulated beyond measure. The women folks received a great inspiration from your talk, and I want to compliment you on your contribution to durable patriotism in our free America.

Doubtless, President Andrews and Neal Wherry have already written you, but I wanted to add my sincere congratulations and my admiration for you.

Sincerely,

FCA/PG
