Mr. David L. MacFarlane  
Governor, District 123  
Rotary International  
Emporia, Kansas

Dear Scotty,

For two weeks I have been wanting to write you to tell you how wonderful your reception was here in Lawrence when you spoke to our Rotary club. Jack and a number of the members have written you and Jack read your reply to our Rotarians. But I would rather wait for a while until many of the bouquets have been delivered before I write you.

When a fellow does a good job he knows it because other fellows tell him, and too, he has an innate reaction when men are pleased about him. All this and more has come to you, so it is needless for me to tell you how very happy we were to see you, hear you, and to hear others say how pleasant you were, so I am contributing my small bit of genuine response when I say you did a great job for us here and we were happy indeed to have you.

We have had two fine meetings since you were here, but yours will always stand out as one of the bright spots. I did not forget your desire to be remembered to Bill Hargiss. I want you to know that I always endeavor to carry through on these little things. I am sorry that you did not get to see him. A fellow is always happy to hear from one even though he does not contact him.

With all good wishes I am

Sincerely,

FCA/pg
