The Rev. Lou Griffith
Chairman Board of County Commissioners
Douglas County
Lawrence, Kansas

Dear Rev. Griffith,

This morning Mr. Dolph Simons, business manager of the Lawrence Journal-World, called me to tell of a very interesting meeting that his father attended over at Oskaloosa.

The chairman of the county commissioners of Jefferson County spoke to the Retarians over there on the subject of the business of Jefferson County.

Mr. Simons suggested that it would be a fine thing to have you as the speaker before our Lawrence Rotary Club some Monday noon at the Eldridge Hotel to speak on the subject, "Business of Douglas County".

All of our dates are filled until Nov. 17. We would appreciate it greatly if you would accept one of the dates open to you between Nov. 17 and Dec. 29. If you could kindly favor us with this talk we would appreciate it if you would call me at K U 83 or drop me a line in care of the Robinson Gymnasium, University of Kansas. I assure you that we would not only be happy to hear from you, but our members would receive some informative and valuable information.

Sincerely yours,

Director of Physical Education and Recreation
