Dean George B. Smith  
School of Education  
Fraser Hall  
Campus

Dear Dean Smith,

We have the acceptance of Warden M. F. Amerine of the Kansas State Penitentiary to address the Lawrence Rotary Club on Monday, Nov. 17.

I believe that you and he discussed the possibility of your collaborating with him on some phase of educational work that he was either testing or planning to work out at the penitentiary. Would you be kind enough to make arrangements to cooperate with him if you feel that there is something that will make the meeting more interesting.

I realize that we have you the week preceding Nov. 17. Perhaps you might like to include in your talk a lead-up to this thing. You're the boss and it's entirely in your hands, but I wanted you to know that we appreciate any educational contribution you might make.

Sincerely,

FCA/PG

Director of Physical Education and Recreation  
Varsity Basketball Coach  
(Chairman Program Committee Lawrence Rotary Club)
