(This note is endorsed by D. M. Horkmans, but on 11-15-27 it appeared that Hugh O. Douglas was in need of funds immediately and he could not procure a letter at that time from anyone recommending him, and Mr. Horkmans agreed to stand sponsor on the note if Douglas could not produce a letter from someone connected with the Athletic Association recommending him for the loan. Later on Mr. Karl Klooz recommended him for the loan, and stated that he was doing satisfactory work, and I take it that Mr. Horkmans is not in any way obligated to pay the note).

Received from I. J. Meade, the above notes totaling \$378.00, and cash amounting to \$138.63.
