Dear Mr. Allen,

I have your favor of December 5, 1941, inviting me to the Lawrence Rotary Club to give a talk concerning some of the interests and high lights of the Selective Service and Induction program.

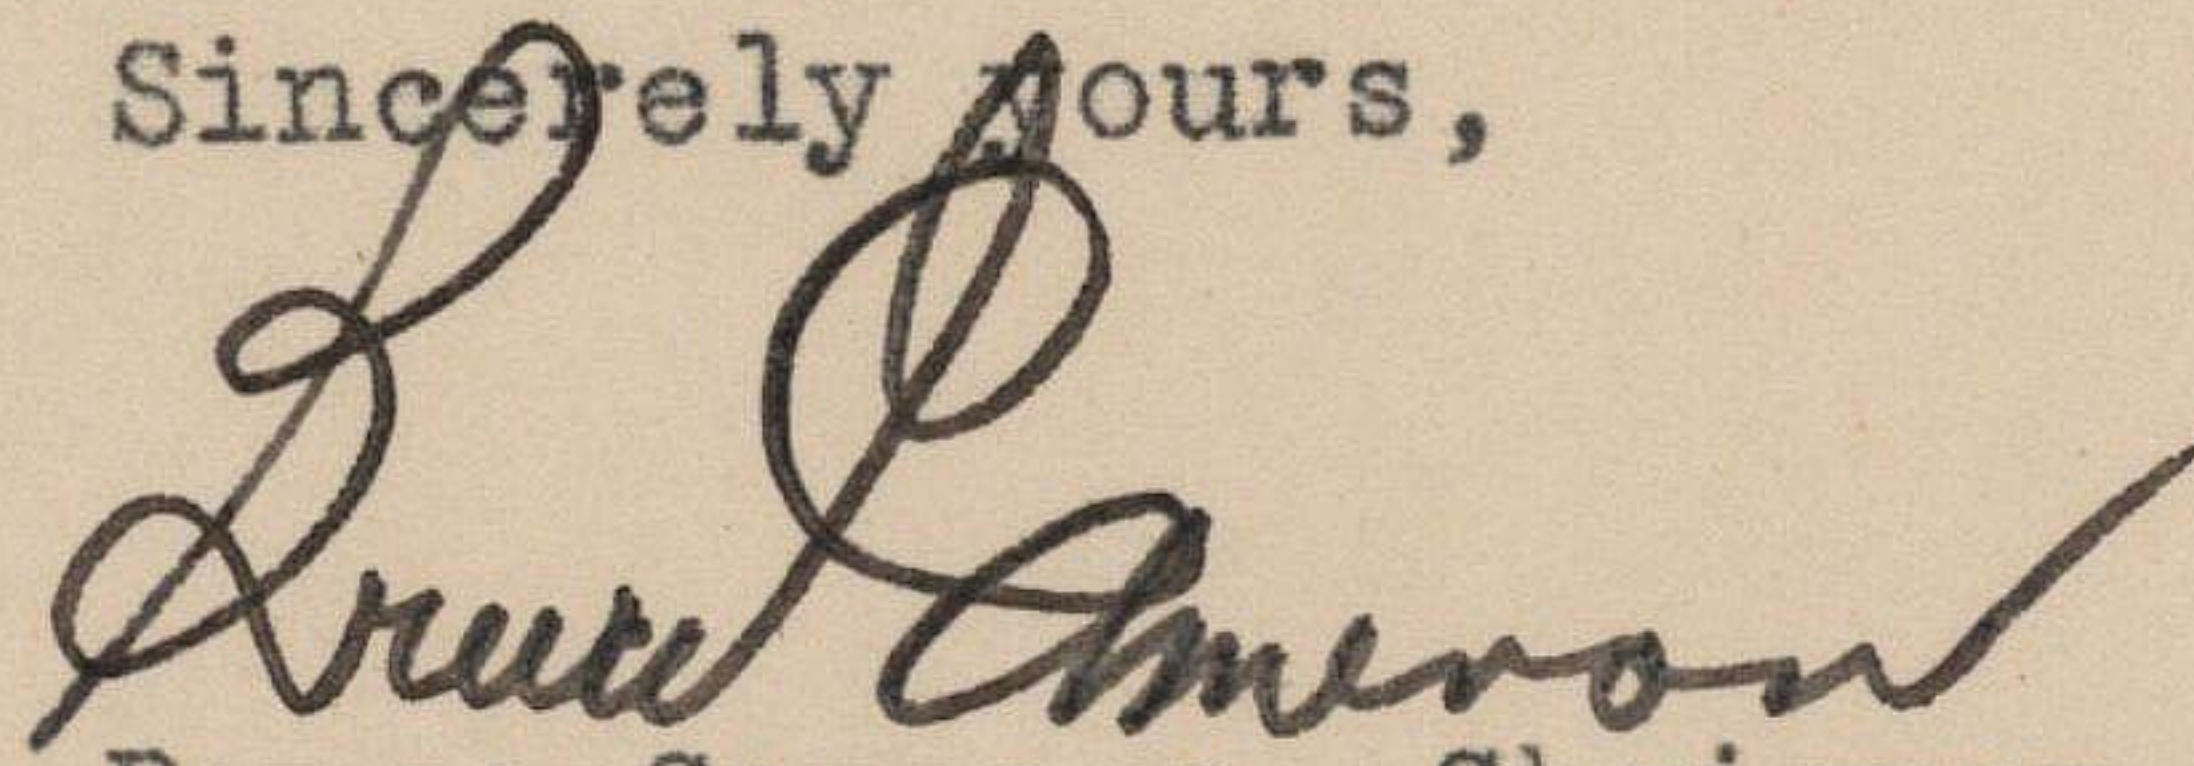

Inasmuch as this country is at war, I think it would be improper for me to talk concerning this work at the present time.

Therefore, I reluctantly write you that I cannot accept your very kind invitation.

I have always felt very much at home in a Rotary Club having been a member, officer, and director of the St. Louis club as well as a member and president of the Pittsburg, Kansas club.

With all good wishes to you, and again expressing to you my appreciation for your invitation, I am

Sincerely yours,

Bruce Cameron, Chairman
