

December 8, 1941

Chancellor Deane W. Malott
Frank Strong Hall
Campus

Dear Chancellor Malott,

Thank you very much for your splendid contribution to Rotary today. Your presentation was forceful and to the point and all the while you held the Rotarians at your fingertips.

I thought your presentation was excellent and your intimate knowledge of Hawaii and the Pacific served as a topic that had each and every Rotarian follow from the Far West to the west end of the campus and back.

It is easy to see the momentum which has come to pass since you took over on Mount Oread.

Again, thank you for a snappy and artistic presentation which made Rotary meeting as of December 8 a very memorable one.

Sincerely,

FCA/PE

Forrest C. Allen
