Dear Jus,

John Andrews has suggested that I write you as Chairman of the Inter-City Relations Committee of Rotary.

I wonder if it will not be possible for us to have one or two inter-city groups here during the year? I know you had bad luck with the golfers when you were rained out, too, we have some fine meetings about on us and I think it would pep it up if we could have the out-siders a time or two. We have Frank Brittain on the 29th of December who will speak on "Let's Save America's Business". He is a very interesting speaker and we have had very fine reports from Topeka and Chillicothe where he spoke. That, of course, is after Christmas.

Next Monday we have Rev. L.H. Griffith, Chairman of the Board of County Commissioners, who will speak on "The Business of Douglas County", and on December 1 Doctor Powell will speak.

Dolph Simons is going to have some very interesting movie views soon. On December 8 Chancellor Malott is entertaining the Rotarians on the campus. On the 15th and 22nd are our Christmas meetings.

I am giving you these dates so that you may look about. Of course, you are the boss, but we hope that you can bring in one or two of these out-side groups.

Rotarily yours,

FCA/pg
