

March 25, 1942.

Dr. Eugene A. Stephenson,  
Department of Petroleum Engineering,  
University of Kansas.

Dear "Stevie":

This is a belated, but very sincere  
thank you for pinch-hitting for me at Rotary on Monday,  
the 16th. Everybody said that you were gosh-darned  
dynamic.

Appreciatively and Rotarily yours,

FCA:AH

Chairman, Program Committee,  
Lawrence Rotary Club.
