Director Physical Education and Recreation  
Varsity Basketball and Baseball Coach  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

I believe the last time I had the pleasure of visiting with you was driving from Stafford, where you had addressed the high school football banquet, to Hutchinson, where you were to make train connections.

Your letter is at hand regarding the presentation of the color movie "Behold South America" to your Rotary club, as referred to you by our mutual friend, Dolph Simons.

It is an honor indeed to have you propose a night meeting of your organization in order to view the film. And I shall be only too glad to give the program to your club with the compliments of Dolph and Mr. W. C. Simons, who have been so considerate of me. However, I note that your calendar is filled until Christmas and that is the only time I have vacant space in the near future. I will be leaving for the west coast early in January to be gone for two or three months, showing the pictures there. As soon as it is definite when I will return to Kansas, I will get in touch with you, immediately attempt to arrange an engagement. <sup>and</sup>

Don't worry about the convenience. I should be glad to drive a long way to present the pictures to your organization with the compliments of the Simons.

Very truly yours

Paul R. Lawrence
