Mr. Dolph Simons,  
Lawrence Journal World,  
Lawrence, Kansas.

Dear Dolph:

I tried to call you at noon today, but since I was unable to reach you I am sending this note.

I would appreciate it if you will preside in my place at Rotary on Monday. We are leaving tonight for Lincoln, where we play Saturday night, and then we go on to Ames and play there Monday night.

Col. Dusenbury, Sgt. Kollender and Dave Horkmans are planning to offer some discussion on the situation in the Philippines at the Monday meeting. I will appreciate it if you will take over for me.

Rotarily yours,

Chairman, Program Committee,  
Lawrence Rotary Club.
